

## Morongo Newsletter

Melbourne Branch

Sint lucernae Ardentes

March 2023

*Dear Friends of Morongo,*

*Welcome to our eighth annual Morongo Newsletter as we continue living and sharing the burning of our lamp of wisdom!*

*All members who have registered their email address will receive this Newsletter in March each year. Send your email address to register at our email address...*

**[melbournebellposthill@gmail.com](mailto:melbournebellposthill@gmail.com)**

### **Please contribute to this Newsletter**

*Any interesting news from any former collegian or friend of Morongo is more than welcome. Send us any news about your lives since leaving school, dates for reunions, photos and reports from any reunion or gathering and obituaries for those that are no longer with us to **[melbournebellposthill@gmail.com](mailto:melbournebellposthill@gmail.com)** before December 31st 2023.*

*We would also appreciate being informed of recently deceased old girls, or new contact details to keep our records up to date.*

**This will be Marieta's last Newsletter. If it is to continue, we need someone to volunteer to take it on. The gmail account is established as the source to send any news about former students. In February, the information sent during the year can be collected and put into the existing template or create a new one. The possibilities are endless. Marieta is prepared to support any interested person for the first year. Assistance producing the newsletter is also available.**

**Please ring Marieta if you are possibly interested (03) 9802 7006**

## **NEWS FROM 2022 & EARLY 2023**

### **William Angliss All Years Luncheon Reunion May 18<sup>th</sup> 2022**

*Once again we found ourselves together to celebrate our special friendships started at Morongo. For many years we have been lucky to be able to meet at the William Angliss School which is very central, especially to all who come from Geelong on the train.*

*Each year Angelina looks after us so well and nothing is too much trouble. The food is always delicious, expertly served by the students of the school and there is wine, soft drink, tea and coffee to enjoy.*

*This year our numbers were down but 22 of us were able to catch up, laugh and remember. There was a lot of talk!!*

*Sandra Oriander (Stevens) gave us news of the forthcoming installation of a plaque which is to stand between two Morongo rose bushes outside the entrance to Mossziel House, the girls boarding house. The plaque will give information about the history and grafting of the rose and we were happy to give Sandra a donation of \$100.00 towards the cost of this plaque.*

*Di Trewenack (Hirst) organised the name tags as well as providing the music and copies of the words of the School song for us all to sing to. Thank you to both Sandra and Di. Elaine Howden.*

## 2023 Morongo Rowing Regatta Saturday February 4th

*This year saw another successful Morongo Regatta being held on the Barwon River with 1372 athletes competing over the course of the day.*

*The weather was fine for the Year 10 girls for the morning session, however, as the day progressed the wind strengthened and challenged some of our less experienced year 9 rowers and coxswains.*

*Due to the rain and flooding in Geelong towards the end of 2022, the Barwon River was closed to all clubs and schools, reopening in the lead up to Christmas. The Yarra was also closed for several weeks affecting many schools' and clubs' preparation in their lead up to the regatta season. Therefore, it was fantastic to see the Barwon looking at its best and the rowers once again being able to practice their craft*

*and learn what racing is all about.*

*It was pleasing to see that the winners of the Division One category were spread across several schools, demonstrating that at this stage of the season, there is healthy competition in the faster boats.*

*The official winners were;*

*Female School Single Scull Year 10 Division 1 - Mercantile (C. Neil)*

*Female school Double scull year 10 Division 1 - Albert Park College*

*Female School Quad Scull Year 10 Division 1 - Loreto - Ballarat*

*Female School Eight Year 10 Division 1 - Geelong College*

*Female School Single Scull Year 9 Division 1 - Mercantile (C. Neil)*

*Female School Double Scull Year 9 Division 1 - Korowa*

*Female School Quad Scull Year 9 Division 1 - Loreto – Ballarat and St Catherine's Vic*

*Lucy Pring (Elaine Howden's daughter)*

*Year 9 Rowing Coordinator*

*The Geelong College*

## Goulburn Valley Luncheon Sunday 1st May 20212

## Golf / Lunch Day Reunion at Barwon Heads Golf Club

*The 9th Annual Golf/Lunch reunion was held on Friday October 21, 2022, at The Barwon Heads Golf Club. It was a very successful day with 38 golfers playing in a 4 Person Ambrose Competition. The weather was kind to the golfers and the course was in excellent condition.*

*At 1pm, when the golfers had completed their competition, another 39 joined us for lunch and presentations. Guests were welcomed and whilst it was incredibly sad that Lyn Fraser was no longer with us, everyone was delighted to greet her two daughters, Sophie and Chloe (pictured at right) and hear about her dedication to running the event since 2012.*

*There was a buzz in the room with old friends chatting and catching up with each other over a delicious lunch. It*

*was a thrill to announce the winning team for 2022 - Prue Petroff, Sarah Lamb, Fiona Miller, and Amy Agar who will represent Morongo in the Women's Inter-School Golf Challenge Cup to be held at Commonwealth Golf Club on 21st March 2023.*

The ladies receiving their prizes and the Perpetual Trophy donated by Lyn Fraser

Lyn's daughters, Sophie and Chloe presented the Closest to the Pin prize in honour of Lyn from Marg Bennett.

*Photos from lunch.....*

*Thank you to those who helped make the day a success.  
Friday October 20th is booked for the 2023 Golf Lunch Reunion.*

*Please save the date and further details will be sent out in September.*

## Morongo Lunch at Geelong College

... by students.

We hosted over 90 Morongo Old Collegians in the Dining Hall on Saturday 22 October for a very successful luncheon. Our guest speaker, renowned Artist Susan Sutton (MOC 1961), had us all captivated with the stories behind some of her paintings which we were privileged enough to see up close on the day. We also heard from our 2022 Morongo Award recipient Georgia McLellan on what it meant to receive the Award and her ambitions for her future. The Morongo Award is an important connection between The Geelong College and Morongo and we thank those Morongo Old Collegians who support this very worthwhile scholarship.

## NEWS ABOUT US

### Ida Jean Bourke (Brewster 1941)

*Ida's daughter, Claire Heinz (1970) has generously donated her mother's Morongo School Blazer to Morongo Memorabilia (stored at Geelong College).*

*Ida Jean Bourke (Brewster) attended Morongo from 1938-1942. She was a day girl for 2 years before becoming a boarder after her family moved to 'GlenBrae' in Donald.*

*Her Blazer pocket was very impressive and included the following awards;*

- Red House Colours – Harris House R (running) 1942, S (swimming) 1941, VII Basketball 1941, IX Baseball 1941, IV Tennis 1942
- HC Harris House Captain
- BC Basketball Captain 1942
- HH Head Prefect in Boarding House 1942
- BB IX School Baseball colours 1941 1942
- BB VII School Basketball colours 1941 1942

*All the trimming braid (black) should have been in gold silk thread but it wasn't available during the war.*

*Ida was a Junior Prefect in 1942 (Year 10)*

### Morongo 1982 Graduating Class Reunion.

*It had been 40 years since we finished Year 12 at Morongo in 1982 and it was time to reconnect and celebrate!*

*The first challenge was to find all our contact details; not an easy task. The Geelong College had a list of girls who were in Year 10 in 1980 with mostly, old postal addresses. We decided to invite girls who were part of our cohort in Year 11 and 12 and so, we emailed, messaged, and asked parents, friends and anyone we could think of who might be able to help.*

*We wanted to make contact and reach out to ensure everyone was included and invited. We were a class of 60 and by the time we got to November, we had an email address, a mobile number or postal address for around 40 girls from our Year Group.*

*Our invitations went to girls in Hong Kong, Sydney, Gold Coast, Perth, Adelaide and Los Angeles, as well as Melbourne, Geelong and many in regional Australia.*

*The date chosen was 26th November, which was about the time we finished school in 1982 . . . with an early morning celebration on the banks of the Barwon River and then, we rode our bikes back up to Morongo wearing black garbage bags and gold headbands.*

*Twenty-six girls attended the Reunion – which was fantastic – and we had a few adjustments on the day. Sadly, Di Weaver and Sam Levinson couldn't make it at the last minute, but we were delighted by the arrival of Marguerite English. A photo list is included.*

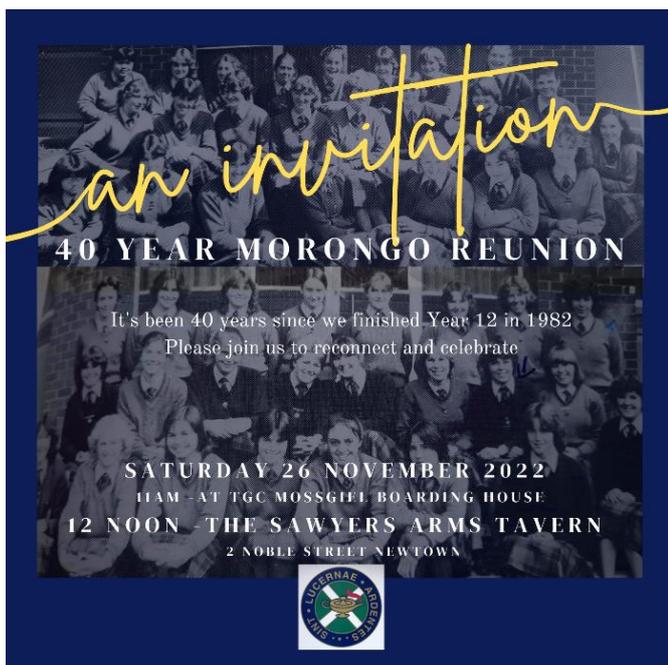

*Our big day began at The Geelong College with a guided tour of the Morongo Memorabilia in the Mossgiel Boarding House. Teacher, Amanda Jackman, led the tour and pointed out the pink Morongo Rose in the garden beds, flowering for the occasion. Lunch was at the Sawyers Arms Tavern which was walking distance and a perfect venue. We had the dining room and then, the courtyard to ourselves – which was lucky because we were noisy.*

*We started the day with a welcome cocktail/mocktail then a feed-me menu of four entrée choices, five main course choices and two dessert choices. Two tables of thirteen meant we could swap spots after each course.*

*Maz and Meg wrote trivia questions, Angie had found the MORONGO signage from our 30 Year Reunion and Maz also collated photos with Angie, Claire, Annie and Wendy for a rolling slide show. Lindy won the prize for answering the most questions and Liz McLean deserves special mention for knowing the name of the cross on the Morongo School emblem.*

*The Tavern closed at 11pm and many of us were still there. We are planning to do it all again in five years - so our next Reunion will be in November 2027.*

## **Great Expectations – Anne Hastie’s trip to Spain and Austria**

*As an artist trained in the western tradition, I have spent many hours looking at images of European art in glossy books, and lately on the internet. It is always very exciting to see the original works; paintings, prints, photographs and sculptures, in real life. But some questions come up for me in anticipation of engaging with ‘the real thing’. How will I experience these pieces with which I already feel so familiar? Where (country, museum, open space) does the art work reside and what is the immediate cultural context? What will the surface of the work be like and how will it be lit? What will the colours look like, especially in older works such as those created in the Middle Ages (altar pieces), compared to those which are (only) 500 years old (Renaissance period)? What about the scale - big - small - or blocked by people standing in front with mobile phones taking photos?*

*Late last year I had the opportunity to travel to Spain and Austria. I was based in Barcelona for three months in a studio apartment. When not painting, I was out and about looking at art and architecture. So much to see!*

*I would like to give a few examples of how I responded to the questions I pose above. My first anecdote is about the many altar pieces I saw in southern Spain, in Andalusia. I was quickly*

overwhelmed, by the numbers of altar pieces, by their size, beauty and pathos, but most of all by their vivid colours and beautiful surfaces. Pure vibrant reds and blues played off against vast tracts of gold; a lot of gold! Hundreds of trained and very talented artists invested years of their lives producing powerful and moving religious art. Many items were very large. Photos in books have never done these pieces justice - they were far more beautiful in real life.

My second anecdote regards a work by Flemish artist Pieter Bruegel the Elder, called the Tower of Babel (1563). I arrived on an overcast day in the forecourt of the Kunsthistorisches Museum in Vienna, a grand, palatial, pale grey marble building in which the painting is displayed. As I prepared to enter the building I passed behind the ticket office to find a huge vinyl poster of the Bruegel image plastered over the rear of the portable booth.

Excited at the thought of seeing this famous painting that has fascinated me for years, I wandered through this enormous museum containing many extraordinary and some very, very large paintings (metres wide and high) to eventually find Bruegel's Tower of Babel in a corner, surrounded by people taking a closer look - because it is small! Compared to the other works nearby, it seemed diminutive. Never-the-less it is exquisitely beautiful. What I did notice though is that reproductions of the painting did not capture its real colours.

Back in Spain, I have always enjoyed the creative genius and quirkiness of the Catalan architect Antoni Gaudi. Barcelona has so many wonderful examples of houses, palaces and parks designed by Gaudi. Then there is his masterpiece, the Sagrada Familia, which has been under construction since 1882. After over 100 years of construction the basilica is now nearing completion.

On my last visit back in 2010, the interior was crammed with a labyrinth of complex scaffolding through which visitors were allowed quick passage. I traversed mesmerised, with my eyes cast upwards, marvelling at the height of the supports and the geometric detail that was being realised high above. I loved it!

The interior is now complete, beautiful, but such a different experience - formal, neat, planned and clever. There is still work to do, mainly on the exterior. I'm sure the locals would like to see the cranes gone and have the construction sounds cease, but my preference is to keep the building process going and for Gaudi's dream to continue its wonderful journey of emergence.

*I hope that there are several more opportunities in my life to reconcile images from books, to revisit memories from past encounters, and to engage with some of my favourite famous art works in real life.*

*It is always such a special occasion to stand before such revered works - to see something we think we know, especially if it is a bit different to how we imagined it."*

## **Donation to Jane McGrath Foundation**

*Any profit from our annual William Angliss Luncheons have been given to worthy charities.*

*Our latest recipient was The Jane McGrath Foundation, which has provided support nurses nationally for women with breast cancer. A very worthy cause!*

*In the past we have also made donations to;*

- *The Kathy Freeman Foundation and*
- *Neil Daniher's FIGHT MND (Motor Neurone Disease) Foundation.*

## VALE

*We are saddened to hear of the following deaths;*

### **Nola Davies (Longwell) 1953**

*After leaving Morongo, Nola lived in flat in South Yarra, Melbourne where friends from Morongo spent many happy hours.*

*She married John Davies in Geelong. They had 3 children; Andrew, Kym and Kyra. Later they moved to Biloela in Queensland to run a lucerne farm. Nola was running the local kindergarten. They sold the farm and moved out where John ran a piggery. Nola continued playing tennis and teaching until she retired.*

*Nola and John built a two-storey holiday house in Yepoon, where John also built a Marina. They retired to Yepoon where a lift was added to the house as Nola couldn't manage stairs.*

### **Bette English (Arnold) 1953** **24/07/1938 -17/10/2022**

*Bette and her sister, Margaret, were boarders at Morongo for their final high school years. Bette was a Prefect and loved the life of a Boarder.*

*During 1956-57 Bette studied Physical Education at Melbourne University with Pam Kemp (Lilburne). She completed her Diploma of Teaching at Melbourne Teachers' College in 1958 before her first appointment at Hampton High School.*

*She married Geoff English before moving to Merryn Park to farm sheep. Jeff and Bette had 3 children; Sally, Geoffrey and Steven. Bette took on the role of Book Keeper for the farm.*

*Geoff and Bette retired to Kerang in 2004. After Geoff's passing in 2009, Bette became involved in the local U3A.*

*Bette's health deteriorated during 2022 until her passing in October.*

*Bette was a very proud Morongo Old Collegian and immensely enjoyed the reunions over many years.*

### **Shirley McNaughton (Burch) 1943**

*Passed away in October 2022*

### **Beverley Joan Joseph (Strong) 1957** **21/11/1941 – 13/02/2023**

*Once you have met her you will never forget her*

*Beverley started at Morongo as a boarder at the age of 12. She loved Sports, Arts and Crafts, and had a zest for life with a wicked sense of humour.*

*From all accounts, there were many pranks in the Boarding House. When she left Morongo, she went to The Invergowrie to become a 'Lady'! Bev pursued many career paths including the Red Cross and Ansett Travel Administration, which inspired her many adventures and amazing overseas travels.*

*She married Brian Joseph and had two children, Sally and Robert (Nobby) and was Grandmother to Meg, Anna and Elke.*

*They lived in Brisbane on the River for many happy years and then moved to Northern New South Wales. Their most recent and last trip was to Delhi for a very colourful Family Wedding. Shortly after Christmas, terminal cancer was discovered and she died peacefully surrounded by her family.*

*We will miss you, Bev, and your friendship and you will always keep the Old School Flame Burning.*

*Virginia Anthony (née Profitt)*

## **Jill O'Brien (Howden, Wylie)**

**22/11/1939 - 18/02/2023**

*Jill grew up in Point Lonsdale, firstly attending Point Lonsdale Primary School followed by Morongo where she was a day girl. She caught the bus to Geelong followed by the school bus to Bell Post Hill with her good friend Leslie de Visser (White)*

*After leaving school, she trained as a dental nurse and met her first husband Geoff Wylie, a dentist, whilst working. They travelled extensively overseas before heading to Canada where Geoff completed post graduate study. Upon returning home they settled in Point Lonsdale and Geoff started a dental practice in Geelong.*

*Sadly Geoff died at the age of 39 and Jill was left to raise 3 young children. This she did beautifully. She moved to Geelong where Serrin, Simon and Nicholas all attended secondary school at The Geelong College.*

*Subsequently she met and married Lloyd O'Brien - another dentist and they moved to Melbourne where Lloyd had his practice. She settled into city life, expanding her interests to include patchworking, golf and volunteering as well as becoming a devoted Nanna to 11 grandchildren.*

*Her love of Point Lonsdale never waned and her great flare with interior design showed both in their Melbourne house and in her charming Point Lonsdale home.*

*Jill was my sister-in-law but she was also a wonderful mother, a much loved aunt to my 5 children and a great friend. Her strong belief in the value of family showed through over and over again. Serrin, Simon and Nicholas are all fine humans contributing to life and she was so proud of them.*

*She was loyal, fun, adventurous, mischievous and loved the Geelong Cats.*

*Thank you for being you. We will all miss you so much but what memories we have. Dear Jill. Fly high and free.*

*Elaine Howden ( Barber)*

## PLEASE SHARE OUR NEWSLETTER .....

*Please share our Newsletter with all your friends who are connected with Morongo.*

*If you know a former collegian without access to a computer or an email account please encourage them to enlist a partner, child or grandchild or even a neighbour to receive the Newsletter on their behalf.*

## Morongio Memorabilia

*All of our precious memorabilia are stored in the Morongo Room at Mossgiel House. Mossgiel House is the girl's boarding house at Geelong College in Noble Street.*

*Any former Morongo girls wishing to borrow banners and/or flags for special reunions and functions may do so by making contact with Geelong College's archivist, Caroline Stok. Allow a week to organise.*
